ONLINE STUDY

Dear Parent,

Kindly note the following regarding online study as we work from home under the present conditions of the lock down implemented by the Govt. of India on account of Covid19:

1. Your ward's class teacher for session 2020-21 will get in touch to make the class group on WhatsApp.
2. You will receive the link for study material, timetable and other relevant information in the group.
3. All assignments must be completed and have to be submitted when School reopens.
3. Doubts if any will be addressed by teachers over phone between 2pm and 3pm from 6th April onwards until school reopens.
4. You are requested not to call the teachers outside these timings respecting their privacy as we work from home.
5. Kindly monitor the student so that he/ she sticks to the routine recommended and completes all assignments.

Your cooperation is of utmost importance.

Regards

(H. George)
Principal
