Bug Fixes and enchancement

Download on the **App Store**
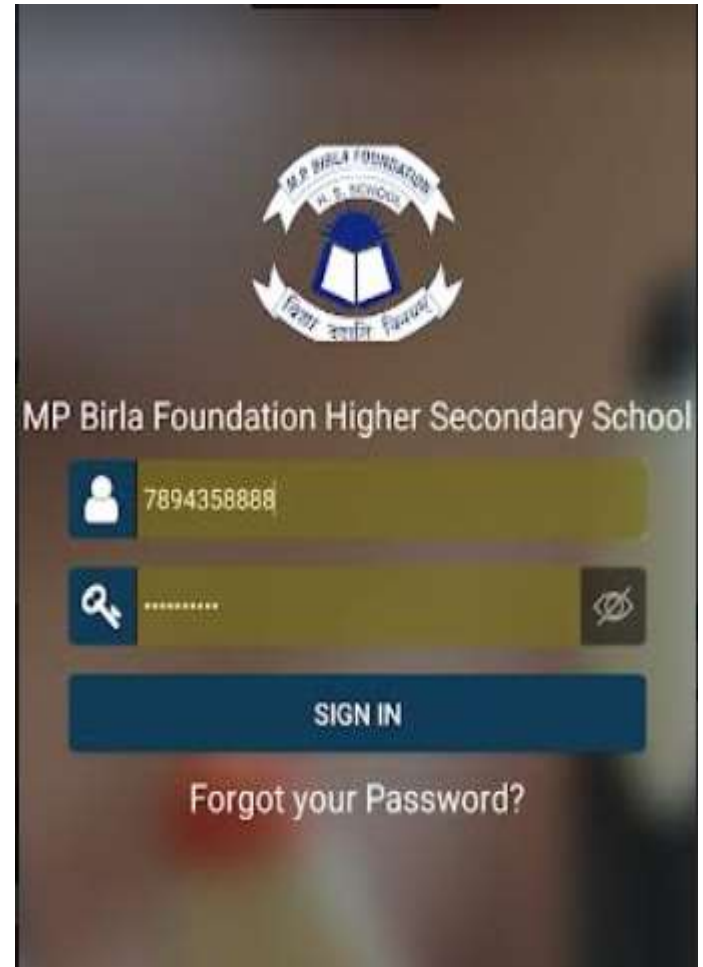

ANDROID APP ON **Google Play**
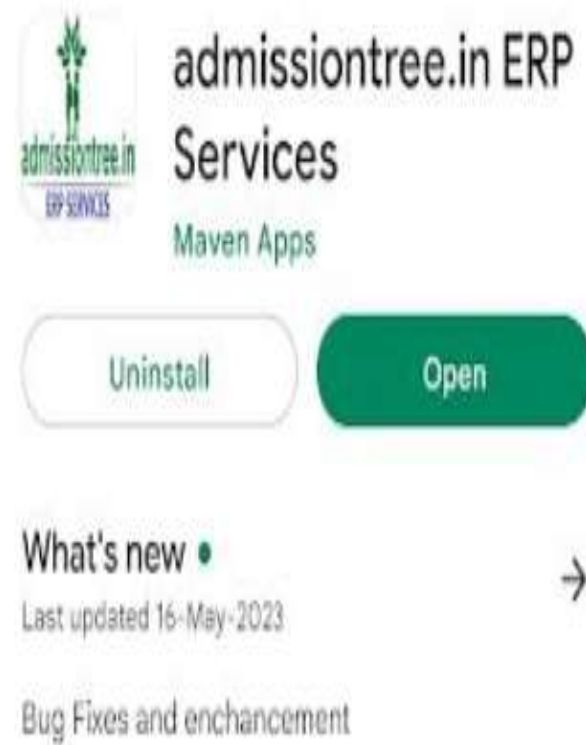

Login Screen

- Welcome to admissiontreeerp services application for Session 2023-2024
- Please download the App from Play store (Android Users)/ Appstore (iOS Users)
- Choose your School (MP Birla Foundation School)
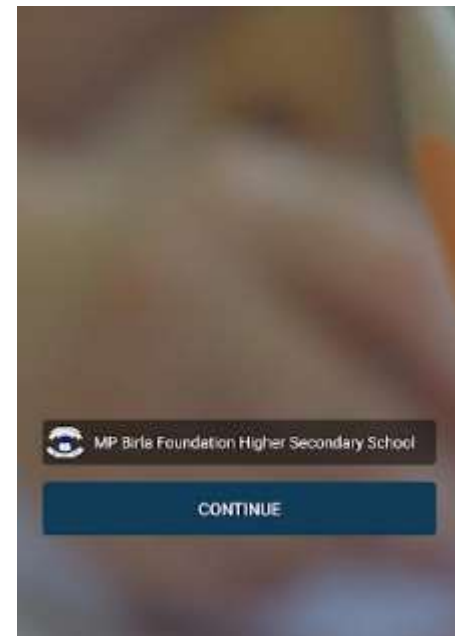

Login Screen

- Enter your id and password as provided
- Click on Sign In button for signing in to the application.
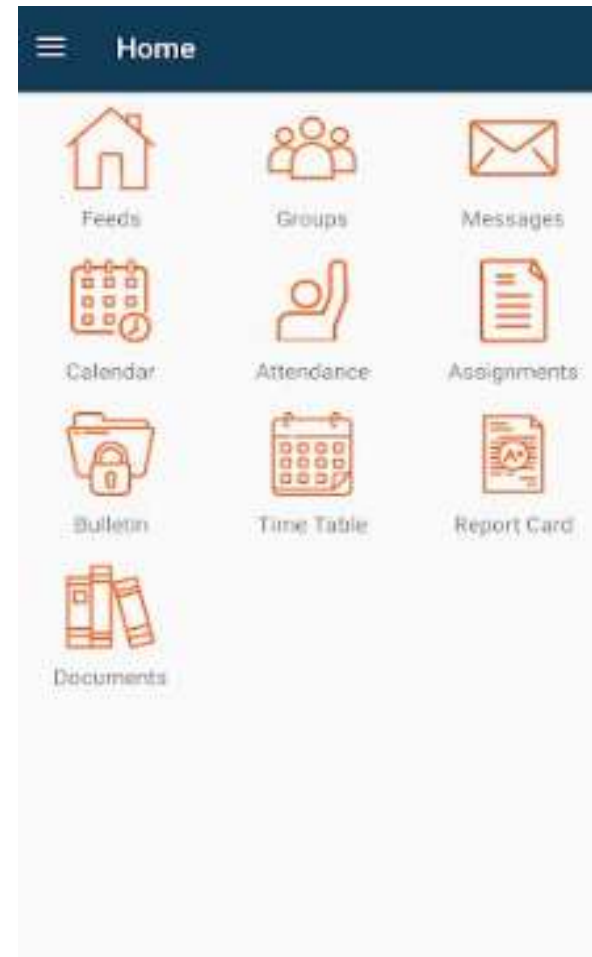

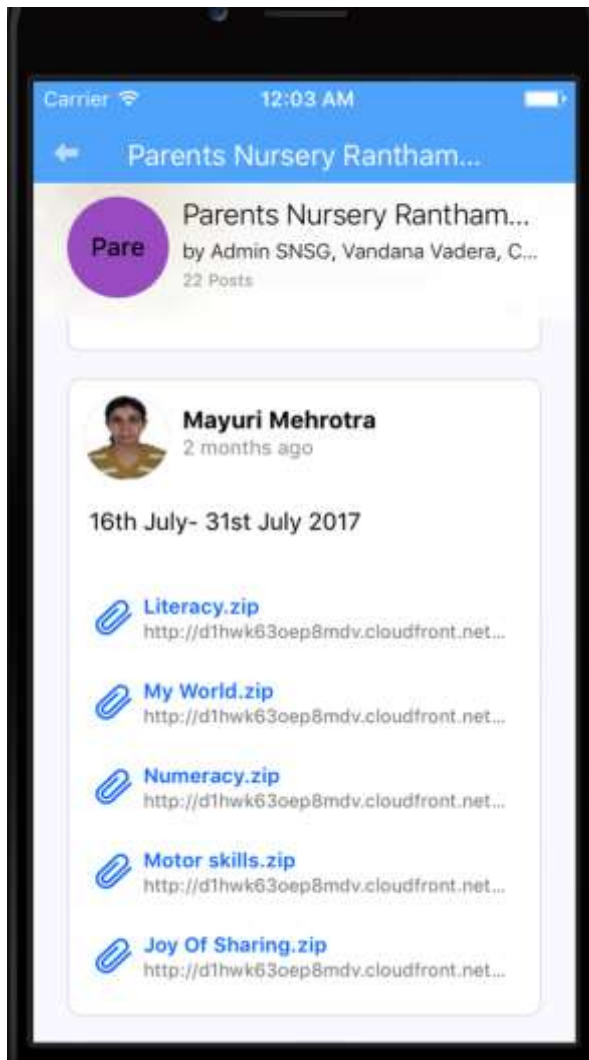

Home Screen

•After signing in, user will be redirected to the home screen where they can see list of all the applications in the grid view as it is showing Assignments App, Groups App, Attendance app etc.

•By selecting any app either from home page or slide menu user will be navigated to the selected app screen.

Please note all applications will not be usable once you start using this mobile app. For example in the initial stage you can view the Feeds, Group messages, Attendance, Assignments and Calendars (If any event /classes etc.) has been assigned by the teacher. Later once the report cards will be published then you can see the report cards under Report Card Icon. School will guide you on this.
